

NYOS Middle School Flag Football

Flag Football fever is spreading across the country and NYOS has it! At NYOS, Flag Football is a 100% parent run program that allows 6th- 8th grade students to participate in a fun and invigorating extracurricular sport. We don't neglect academics though - NYOS supports the No Pass No Play policy. This is a win-win sport because Flag Football players don't need a lot of protective equipment; it is inexpensive to run, and NYOS has a coed team where students of all sizes can play.
