Do you need to catch up on your reading? Or needlework? TACOS (totally awesome cool organization of science) needs a responsible adult volunteer to sit in on the club's Friday afternoon study sessions at the Lamar campus from 1 - 4pm. The students work independently, the adult presence is needed only to satisfy legal requirements while the team coach, Ms Noel, is in staff meetings. Is this the opportunity you've been waiting for? What an easy way to accrue your 20 hours of service to NYOS! **Contact: Megan Noel (mnoel@nyos.org)**

Both campuses have Abitibi Paper Retriever recycling bins. Recycling paper not only helps the environment but NYOS gets paid for the paper! Our goal is 2 tons of paper per month per campus. Volunteers are needed to spread the word to neighboring businesses & apartment communities near the schools so they can drop off their recycling. Or adopt your neighbor's paper. Bring old newspapers, catalogs or junk mail to the Paper Retriever. Flyers are available with specifics. To volunteer, contact Cindy Soo, [csoo@austinchronicle.com](mailto:csoo@austinchronicle.com)
